

HISTORY DISPLAY (or participation) APPLICATION

It's time for Oh These Irish Hills! (OTIH) winter event! The Taste of the Past! History Palooza and Antique Show will be held on Saturday, March 13, 2010, from 11am to 5pm at St. Joseph Family Center.

You are invited to join with the Irish Hills, Village and Lake Community neighbors to Show off your area memorabilia, Share those bits of history that were squirreled away and Learn Irish Hills area history from your neighbors.

Display space is available for your treasures and the space is FREE but limited. You must reserve now. You will be committing to 6 hours at a table with your display and OTIH will not be responsible for your items. We can have someone sit in for you while you take a break, though. You should be at your display or near it so you can answer questions about your pictures or souvenirs. It's just a fun day of sharing and others may even ask for a copy of your articles or items (at your discretion.)

Also at the Palooza:

- * Displays of resident's memorabilia
- * Oral History Recording Room
- * Silent Auction of Antiques & Vintage Items
- * Irish Hills History Timeline Display
- * Scanner & Copier Available
- * Lost Arts Demonstrations
- * Wayside Exhibits' Unveiling
- * Live entertainment
- * Parlor Conversations
- * Oh These Irish Hills! Merchandise
- * Food

The Volunteers and Members of Oh These Irish Hills! are interested in seeing what is out there as far as memorabilia and stories from the past for our area. Join us for a fun day of sharing, reminiscing and surprises.
